What We Do

ABOUT US

TOOMOTOO (TIANJIN) INTERNATIONAL TRADING CO.,LTD

TOOMOTOO (Tianjin) International trading Co.,Ltd is located in LianDong U Valley ShuangChuang Center, Jinnan District, Tianjin, China. The transportation is very convenient, only 50 minutes drive from Tianjin port, 10 minutes from the urban district, and 20 minutes from Binhai International Airport.

TOOMOTOO provides spare parts, technical support and product development for forklifts of various brands. Focusing on forklift parts, we are committed to providing quality parts for forklifts worldwide.

TOOMOTOO provides

Parts and accessories for German brand forklifts, such as STILL, LINDE and JUNGHEINRICH.

Parts for American brand forklifts, such as HYSTER-YALE, CLARK and CROWN.

Parts and accessories applicable to Japanese brand forklifts, such as TOYOTA, NICHIYU, KOMATSU and TCM.

Parts for Chinese brand forklifts, such as HELI, HANGCHA, LONKING, LIUGONG,JAC,NUOLI and EP.

TOOMOTOO has strength in forklift's wearing parts such as PU wheels, tires, filters and chargers.

TOOMOTOO also provides forklift safety products such as warning lights, surveillance cameras and anti-collision equipment.

Based on the forklift structure

We covers

Parts for engines and transmissions, drive systems, steering systems, braking systems and chargers.

Hydraulic system parts, including cylinders, valves, bumps, pipes and filters.

Electronic parts, including controllers, switches, sensors, motors, instruments, etc.

And other parts, including bearings, forks, hardware, seals, seats, PU wheels, tires and other accessories.

TOOMOTOO has a professional technical support team to provide you with after-sales service and technical advice on forklift spare parts.

Parts packaging will be in seven languages and with high quality packaging materials.

Specially, the service will be provided during your working hours.

TOOMOTOO provides one-stop service solutions and looks forward to building a long-term business relationship with you.

TOOMOTOO provides spare parts, technical support and product development for forklifts of various brands. Focusing on forklift parts, we are committed to providing quality parts for forklifts worldwide.
